Letter from the Dean

June 1, 2006

Does it seem possible that a year ago we were in the last harried moments of preparing for a convention? It was wonderful, but now it's history. A great event to be sure, but one from which we as a chapter need to move on. I know I've felt this past year as though the board has been recovering from the major effort they were involved in, and while we've had some great programs, we are all feeling the slow return to normal.

The rhythms of our musical seasons seem to work the same way. Six months ago we were all frantically preparing for Christmas, hoping that it wouldn't snow on the night of our dress rehearsal. Somehow it all came out right, didn't it? And now it's time to take a deep breath, acknowledge that we have done heroic work in the past ten months, and seriously take a well deserved rest. At the very least, undertake a serious change of pace. For some of us that might

mean a convention or workshop. For others it's a chance to work on a larger piece that usually there just isn't time for. Perhaps it's time to listen to the CDs we bought and never got around to.

Whatever the form of rest and renewal, let's not forget to take it. Constant striving, the hallmark of our present day society, fails to get us to the place of serenity and openness that are so vital to our art. Feeling tired and overwhelmed is, in my opinion, an enormous barrier to producing good work. "In returning and rest, we shall be saved." Enjoy your summer.

Watch these pages for details of our picnic and other events this season. Also think about participating in the Bachfest. Details are available on our calendar, or check the web site for Hudson Valley Society for Music.

God's peace
